

Hi Maple Class,

We hope you are all well and having a super summer break. with your families and hopefully you are looking forward to coming back to school for what will be a fantastic year in Maple Class.

We have all enjoyed our summer holidays. I've visited Edinburgh, York and travelled on an old train through the beautiful Yorkshire Dales. At home I've enjoyed a nightly Mario Kart competition with Mrs Robinson and my two daughters. I've raced as Luigi, Diddy Kong and Bowser and I've crashed a lot! Do you have a favourite?

Mrs Lowrie has kept herself busy walking her dogs, cycling at the coast, decorating her house and spending time with her family. Mrs Betts has enjoyed her family time, trips out and eating plenty of food! We are looking forward to learning more about you guys but in the meantime, here are a few facts about us.
